Girl Scouts of Eastern Pennsylvania **HERITAGE PATROL** is one of many Interest Patrols available to Cadette, Senior and Ambassador Girl Scouts. Interest Patrols are a fun addition or alternative to the traditional troop meeting format.

HERITAGE PATROL is a special interest group dedicated to learning about our local heritage, sharing this knowledge with others, and providing service to local organizations working to preserve our heritage. We do special events for Brownies and Juniors four times a year and a three-day training session in late July or early August. If you are interested in early American folk arts, exploring local history, participating in community events and sharing your skills with younger girls, you will enjoy being a member of **HERITAGE PATROL**.

Beginning on November 12, 2016 at Burnside Plantation, the Apprentice Patrol will address the changes in Girl Scout age levels. Sixth grade Cadettes and older girls who did not start their **HERITAGE PATROL** experience with Musikfest will be able to join the Apprentice Patrol. This **HERITAGE PATROL** group will meet during **Burnside Plantation** from 12:30–4 pm, **Victorian Pastimes** from 1–3:45 pm, **Thinking Day—Heritage Style** from 9 am–4 pm, and **Moravian Memories** from 12–4 pm. Girls attending all sessions will earn their Historic Crafts Badge. They will also learn the leadership skills needed to advance to Journeywoman soon after these sessions.

A \$25 fee will be charged for this program. All girls must be registered Girl Scouts. They may be registered with their local troop or with **HERITAGE PATROL**. The fee for registration is \$15. For more information contact Betsy Cutler at (610) 395-2721, betsy2955@gmail.com or send in this form with your \$25 fee made out to GSEP **HERITAGE PATROL** by October 1.
